This leaflet provides a brief summary of the features, benefits and limitations of the cover provided by the Countycover liability policy, arranged by Bluefin and underwritten by Sportscover Europe Ltd.

What is the Countycover® liability scheme?

Countycover® is designed to indemnify the County Football Association and its affiliated member clubs/leagues and match officials.

By arranging cover as a block insurance scheme it means that

premiums are more affordable to clubs and leagues at the lower levels of the game.

The scheme primarily provides public liability insurance. A club/league can be held legally liable if it is proven that it was negligent or failed to take 'reasonable care' to prevent injury to a member of the public or members of the club/league or damage to third party property.

Public liability insurance is designed to pay compensation and legal costs that arise if the club/league or any of its members are found to be at fault. This cover is not to be confused with personal accident insurance.

Four elements of cover in one unique package

Depending on your County FA's preference, in addition to public liability this policy can also provide cover for:

- Employers liability
- Officers and committee liability
- Professional indemnity

Further details can be found overleaf and on our website.

As this is a summary of cover it does not include all the policy benefits, limits and exclusions.

Full terms, conditions and exclusions are shown in the master policy document, a copy of which is available on request or at: www.bluefingroup.co.uk/countycover (available from 1 July each season).

Protection against legal liability for bodily injury to third parties and damage to their property

Is the Countycover® liability scheme cover adequate for my club/league?

This product is designed to meet the demands and needs of the majority of amateur and semi professional clubs/leagues that wish to protect themselves against third party liability. Cover includes property owners liability for clubs/leagues that own a clubhouse, changing facility or stands.

It is important to note that for clubs and leagues that operate a licensed premises, cover for this aspect of the operation is not provided and separate cover should be sought.

The above statements do not constitute advice or a personal recommendation for our Countycover® product. Should you require advice please contact Bluefin.

We can provide quotations for the operation of licensed premises including combined insurance packages for buildings, contents and employers liability if required.

Are there any excesses?

Public liability: £100 for each and every claim in respect of damage to property only. This is reduced to just £25 in respect of claims made for damage to glass/windows.
Employers liability: No excess.
Officers and committee liability: £250
Professional indemnity: £100

The period of insurance

Countycover® provides cover for 12 months from 1 July of each year (or the date a club/league affiliates to the County Association and cover agreed, whichever is the later). The scheme is annually renewable on 1 July the following year.

Are club tournaments and fund raising events covered?

Legal liability arising from club fund raising and tournament events of up to 5,000 attendees per day would be covered but excluding events such as fireworks, driving experiences, bouncy castles, water sports, anything at height – above 3 metres (e.g. bungee jumping).

However, the policy can usually be extended subject to an additional premium, and events are reviewed on an individual basis depending on their size and nature. Most tournaments will need to be sanctioned by your County Football Association.

Delegating responsibilities is common, however as an officer, committee member, director or trustee you retain the ultimate responsibility for any decisions or action taken, for example accepting new members or directing how club funds are to be used.

Clubs and leagues can be subject to a large number of rules and regulations. Officers, committee members, directors and trustees also need to be aware of these requirements and must ensure that the club or league complies. What you have to comply with will vary depending on your activities or your size. Examples include compliance with:

- legislation concerning racial, sexual and age harassment and discrimination,
- employment law for any club/league employing staff (this may include volunteers),
