FLEXIBLE FORMATS

Player Development

Look at playing formats and why they are appropriate to the Long Term Player Development pathway of young players.

Manage the players development as they go through each step of the pathway Socially, Physically, Tactically and Psychologically.

The Herts Girls Partnership League already play 9v9, three other youth leagues in Hertfordshire are looking to introduce 9v9.

This event is open for all youth clubs to attend, for further information Contact Ken Headington 01462 650222 or email ken.headington@hertfordshirefa.com

Introduction

Nick Levett - FA National Manager for Youth and Mini Soccer will be presenting thoughts, ideas and innovations on possible developments within the youth game.

- Changes to formats with 5v5 and 9v9 being introduced
- Player Development Pathways - Best Practice
- Winter Breaks

Here is an opportunity for Charter Standard clubs, coaches and youth leagues to meet and discuss how we can implement flexible formats into our youth league structure.
