

Charter Standard ROADSHOW In Service Event

Developing the Volunteer Workforce, Getting Qualified and Staying Qualified

These 3 hour workshops have been organized to help clubs to get their volunteers qualified or to update their existing qualifications. The Safeguarding and Emergency Aid courses need to be redone every 3 years, this will help raise awareness of issues when working with Children and educate adults to have the confidence to save life in an emergency.

Event Two: Welfare Officer Workshop — Code ROWOW 1

Event Three: Safeguarding Children — Code ROSCFW 1

Event Four: Emergency First Aid — Code ROEA 1

Course application forms are available on the web site.

MORE ROADSHOWS IN 2009

We are planning 2 more events around the county, in the West and South of the county. Each event will be slightly different, with different tutors and presenters delivering various workshops to help clubs to stay informed. Club members can attend one or all Roadshows as part of your clubs in-service training.
