## Introduction

This Transition session will be delivered by Peter Trevivian, the Regional Coach Development Manager. Peter will be working with some young players, looking at the Long Term Player Development Pathway, he will progress the session from 7v7 through 9v9 and into 11v11.

Picking out the main features of each playing format and why it is appropriate to the development of young players. Also looking at the main coaching points for each format. The purpose of the evening is to give tips and ideas on how to manage the players development as they go through each step of the pathway.
